PRODUCT DESCRIPTION

With a sleek and thinner diameter, our new EZ Stand frames are a great alternative to our premium back wall displays. Quickly assembled in just minutes, slide the tubes together and lock them in place with a push button snap to assemble the frame. Then, simply pull the pillowcase-like graphic over the frame and zip it shut. The bottom zipper - hidden from view, tightens the stretch fabric beautifully displaying your graphic from edge to edge. Available in various widths and heights there is an EZ Stand for almost any occasion. Add an option Silver Bag to store your stand and graphic in between events or LED lights to highlight your message.

SET UP INSTRUCTIONS

Connect tubes based on diagram above

1. Insert reduced end into receiving tube and making sure to push spring button down
2. Once the tube is fully inserted the spring button will pop through hole of receiving tube. The tubes may need to be rotated for spring button to line up with hole in receiving tube.
3. Once frame is fully assembled attach both feet using the same process as steps 1-2
4. Lastly pull pillowcase graphic over frame and zip it closed underneath the bottom cross bar to complete frame and graphic set up.
