PRODUCT DESCRIPTION

Elevate your EZ Extend and EZ Stand displays with the EZ Stand Bridge, a versatile accessory designed to connect and enhance 90" H display frames. The bridge creates a seamless connection between two frames, expanding your display's functionality and visual impact.

Durable Frame Construction: Crafted from lightweight yet sturdy 30mm silver aluminum tubing, the bridge ensures stability and durability while maintaining a sleek, modern appearance.

Custom Fabric Graphics: Showcase your brand with vibrant, dye-sublimated fabric graphics featuring pillowcase-style finishing and a #10 zipper closure for effortless installation and quick graphic change-outs.

Tool-Free Assembly: Simplify your setup with a tool-free frame assembly and connection, allowing for quick and hassle-free installation.

Display Dimensions: The bridge measures 32"W x 90"H x 83"D, offering ample space for additional branding or messaging.

Optional Add-Ons: Enhance functionality with optional monitor mounts and shelves, easily attached to the front side of the bridge for interactive displays or product showcasing.

Portable Design: Includes a convenient travel bag for easy transportation and storage, making it ideal for trade shows, events, and indoor promotions.

Note: The EZ Stand Bridge is recommended for indoor use only. The supporting frame is not included. Customization options are available to meet your specific branding and display needs.

Expand. Connect. Impress. With the EZ Stand Bridge, transform your display into a dynamic, multi-functional exhibit that captivates your audience.
