PRODUCT DESCRIPTION

Mamba rectangle flags just got better! By attaching a “L” arm to our best selling Falcon Flags. You now have a rectangle flag. Mamba Rectangle Flag is great for commercial and advertising settings. Get your business noticed with a fully customized graphic print. Printed on a polyester-blend mesh material by the process of dye sublimation. Available with a spike base for displaying in grass or other soft surfaces or an X-Base for displaying on concrete or other hard surfaces.

Graphic Finishing Options:

Black flag trim (pocket trim) is sewn on the edge of the graphic (pole-side), leaving a pocket for pole insertion. A set of grommets are installed on the bottom of the trim in which the short bungee cord (included) can loop through and snugly attach the graphic to the base.

Please note that purchasing the new Mamba Rectangle Flag hardware. Included is an extra pole(s) that can be converted into a falcon flag pole set. Graphic Only Falcon Flag.

SET UP INSTRUCTIONS

- A. Flag poles are numbered for easy assembly. Follow guide above for assembly order
(Note: Medium flagpole can convert to Large and X-Large size by adding additional pole #3's)
- B. Connect all flag poles except the L Arm at the top
- C. Insert tip of flagpole into the black pocket trim on the side of the flag and push it all the way to the end of the pocket
- D. Insert the L Arm through the top black pocket trim and then insert the base of the L Arm into the end of the flag pole
- E. Secure flag by lacing the bungee through the grommets on the pocket trim and tethering it to the hook at the base of the pole.
- F. Insert pole into desired base to display flag.

Poles 1a and 1b will be included with all Mamba Flagpole Graphic Package and Hardware only orders to convert flag pole for use with Falcon and Sunbird shape flags.

Spike Base

Insert the pointed end of the spike base into the ground. Insert the post with rubber grommets into the opening on bottom of the flagpole to display flag.

X-Base

Unfold legs and insert the post with rubber grommets into the opening on bottom of the flagpole to display flag. A water bag can be added for added stability.
