## PRODUCT DESCRIPTION

Introducing the Origami Truss System – where innovation meets elegance. This cutting-edge 6in x 6in folding truss redefines the dynamics of display systems, offering a portable and sophisticated solution that outshines traditional truss systems in every aspect.

### Key Features:

#### 1. Portable Origami Design:

Unleash the power of portability with our Origami Truss System. Unlike conventional truss systems, this folding design ensures easy transportation and quick assembly without compromising on structural integrity.

#### 2. Stunning Silicone Edge Graphics (SEG):

Elevate your brand presence with vibrant and flawless Silicone Edge Graphics (SEG). Choose between single or double-sided displays that can be seamlessly integrated between the truss frame or fully wrapped around, ensuring your message captivates from all angles.

#### 3. Tailored Configurations:

Empower your brand with flexibility. Select from our library of standard configurations for a swift setup or let your creativity shine by designing a custom configuration that aligns perfectly with your unique brand identity and display requirements.

#### 4. Comprehensive Accessories:

Illuminate your brand with a range of accessories crafted for both functionality and visual allure. Enhance your presentation with monitor mounts for interactive experiences, LED lights strategically positioned for front-lit graphics, shelving for product displays, slat walls for additional customization, and counters that invite engagement.

The Origami Truss System is more than a display solution; it's a canvas for your brand story. Whether you're an industry veteran or a newcomer, make a lasting impression with a truss system that seamlessly blends innovation, portability, and customization. Elevate your brand presence with Origami – because your brand deserves a display as unique as its story.
