

# CASITA MESA

OUTDOOR DISPLAYS

PRODUCT CODE: CAS-MESA

On Frame

On

Adjustable Height

## PRODUCT DESCRIPTION

The Casita® Mesa is a versatile outdoor folding table, built to endure a range of environments. Constructed with the same sturdy 40mm hexagon legs as our Casita® Canopy Aluminum frames, it ensures stability and durability. The sleek simulated wood grain MDF tabletop offers a professional surface for any event or display. Measuring 110.25" in width and 30" in depth, the Casita® Mesa adjustable height settings from 33" to 38"—to accommodate your needs.

For easy transport, the table comes with a convenient travel bag. Enhance your presentation with an optional fitted table throw, made from dye sublimation tent material, designed to perfectly match your Casita® Canopy graphic. The table throw fits snugly at 33" height and serves as a shorter cover for the mid and highest settings. Ideal for both indoor and outdoor use, the Casita® Mesa combines functionality with a professional appearance, making it a perfect choice for any setup.

DISPLAY DIMENSIONS	110.25" W x 33"H x 30"D (Min Height)
	110.25"W x 38"H x 30"D (Max Height)

## GRAPHIC MATERIAL

Dye Sub Tent Fabric

## GRAPHIC FINISHING

Table throw panels are printed in sections and sewn together along top and vertical edges to create a fitted tablethrow. The bottom edge is hemmed for a clean and finished look.

## DISPLAY CONSTRUCTION

Aluminum frame with plastic components and MDF tabletop

## SET UP INSTRUCTIONS

Expand table frame by pulling legs outwards. Make sure corners lock into place before proceeding

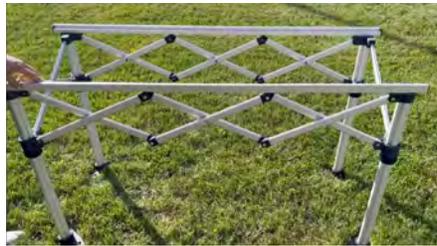

Assemble table rails by inserting connector into the receiving tube. Make sure to press spring button in while inserting.

Once fully connected the spring button will pop into hole on receiving tube. Repeat for 2nd table rail.

Align holes on ends of table rails with posts on table frame corners.

Repeat for both sides of the table frame

Unfold table top sections and place them on the table tails

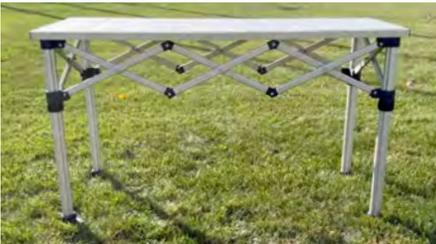

Table assembly is now complete at lowest height (33in)

Twist black ring to lock or unlock adjustable legs to dial in table height

Table adjusted to max height (38in)
